

IAgrE - Current Accredited/Approved Academic Courses

COURSE	UNIVERSITY/COLLEGE	EC GRADE	UCAS CODE	EngC CODE
MEng Agricultural Engineering	Harper Adams University College intake years 2001 - 2015	Accredited for Chartered Engineer	H335	5998
MEng Off Road Vehicle Design	Harper Adams University College intake years 2001 - 2015	Accredited for Chartered Engineer	H337	6000
BEng/BEng(Hons) Agricultural Engineering	Harper Adams University College intake years 1987 - 2015	Accredited for Incorporated Engineer, also for Chartered Engineer with Further Learning to Masters Level	H330	949
BEng/BEng(Hons) Off Road Vehicle Desitn	Harper Adams University College intake years 2001 - 2015	Accredited for Incorporated Engineer, also for Chartered Engineer with Further Learning to Masters Level	H336	5999
BSc/BSC (Hons) Agricultural Engineering	Harper Adams University College intake years 2000 - 2015	Accredited for Incorporated Engineer	H333	5649
BSc/BSC (Hons) Agricultural Engineering with Marketing & Management	Harper Adams University College intake years 1992 - 2015	Accredited for Incorporated Engineer	H3N2	951
BSc/BSC (Hons) Off Road Vehicle Design	Harper Adams University College intake years 1999 - 2015	Accredited for Incorporated Engineer	H339	6969
BSc/BSC (Hons) Off Road Vehicle Design with Marketing & Management	Harper Adams University College intake years 1999 - 2015	Accredited for Incorporated Engineer	H3N5	
FdSc Agricultural Engineering	Harper Adams University College intake years 2010 - 2015	Accredited for Incorporated Engineer with Further Learning to Batchelors Leve	H338	
FdSc Off Road Vehicle Design	Harper Adams University College intake years 2010 - 2015	Accredited for Incorporated Engineer with Further Learning to Batchelors Leve	HW32	
BSc (Hons) Agricultural Engineering Management	Institute of Technology Tralee Intake years 2006-2011	Accredited for Incorporated Engineer		
FdSc Agricultural Engineering and Mechanisation	Reaseheath College Intake years 2011-2015	Partially approved for Incorporated Engineer, but needs extra tuition in areas A + B. Covers underpinning knowledge and understanding for Eng Tech, but requires student to have practical/industrial experience		
FdSc Construction Plant Engineering	Reaseheath College Intake years 2011-2015	Partially approved for Incorporated Engineer, but needs extra tuition in areas A + B. Covers underpinning		

		knowledge and understanding for Eng Tech, but requires student to have practical/industrial experience		
FdSc Machinery Dealership Management	Reaseheath College Intake years 2011-2015	Partially approved for Incorporated Engineer, but needs extra tuition in areas A + B. Covers underpinning knowledge and understanding for Eng Tech, but requires student to have practical/industrial experience		
MSc Land Management (4 Options) Land Reclamation & Restoration Soil Management Ecological Conservation Natural Resource Management	Cranfield University)) Intake years 2005-2015)) Intake years 2010-2015)	Accredited as 2 units for CEnv Accredited as 2 units for CEnv
